H 055	Continued From page 7 Based on record review on July 22, 2009, the facility failed to ensure that 3 of 3 residents complied with NAC 441A.380 regarding tuberculosis (TB) testing (Resident #1, #2 and #3 all require two-step TB skin tests).	H 055		
H 999	Final Comments This Regulation is not met as evidenced by: NRS 449.0105 " Home for individual residential care " defined. " Home for individual residential care " means a home in which a natural person furnishes food, shelter, assistance and limited supervision, for compensation, to not more than two persons with mental retardation or with disabilities or who are aged or infirm, unless the persons receiving those services are related within the third degree of consanguinity or affinity to the person providing those services. Based on record reviews, interviews, and observation on 7/22/09, 7/27/09 and 7/28/09, it was determined the facility had admitted three residents, which exceeded their licensing requirement. Findings include: An initial on-site visit was conducted on 7/22/09. Caregiver #2 reported there were currently three residents at the facility. Resident #1: The resident was admitted to the facility on 4/4/09. The resident was observed sitting in a wheelchair due to a cyst on the spine. The resident was diagnosed with congestive heart failure in February 2009 which requires her to use oxygen. A Needs Assessment conducted by the director indicated the resident was	H 999

The Needs Assessment also indicated the resident needed protective supervision. The record review further indicated a monthly rate for occupancy was \$3,500.00/month.</p> <p>An interview with Resident #1 was conducted in her private bedroom. The resident confirmed that the caregivers assisted her in the bathroom and with dressing. The resident was alert and oriented to person place and time.</p> <p>Resident #2: The resident was admitted to the facility on 2/26/09 with diagnoses of a possible stroke, mental status change, alzheimer's disease, hypertension, anemia, EKG change, azotemia, and a fall. An Ultimate User Agreement authorizing the facility to possess and administer the resident's medications was signed by the resident and the facility director, Caregiver #1, on 2/26/09. A Needs Assessment conducted on admission by the director indicated the resident required assistance in the following areas: bathing, dressing, oral care, and medications. The Needs Assessment also indicated the resident needed protective supervision. The record review further indicated a monthly rate for occupancy of \$1,800.00/month.</p> <p>An interview with Resident #2 was attempted, but the resident only spoke Spanish.</p> <p>Resident #3: The resident was admitted to the facility on 10/30/07. A Needs Assessment was conducted on 10/31/07 by the director that indicated the resident was completely dependent in the following areas: bathing, dressing, oral care, shaving, transfer, ambulation, toileting, and</p>	H 999

H 999	<p>Continued From page 9</p> <p>medications. The Needs Assessment also indicated the resident needed protective supervision. An Ultimate User Agreement authorizing the facility to possess and administer the resident's medications was signed by the resident and the facility director, Caregiver #1, on 8/7/08. The record review further indicated a monthly rate for occupancy of \$1,500/month.</p> <p>An interview with Resident #3 was attempted, but due to the resident's hearing problems, the interview was terminated.</p> <p>In an interview with Caregiver #3, she stated that "all three ladies needed help with dressing and in the bathroom." The caregiver also indicated that she administered medication to all three residents.</p> <p>After review of residents records, observations, and interviews with Resident #1, #2 #3 and the caregivers, it was determined that Residents #1, #2 and #3 all required some level of care, supervision and assistance with medications, visiting the bathroom or with bathing. It was determined that the director of the facility had admitted three residents to a facility licensed for two, was over census since 4/4/09 and therefore was operating a Residential Facility for Groups without a license.</p>	H 999
